

Sycamore Class Homework due in 18<sup>th</sup> September

In English, we have been reading a story called 'The Promise'. For homework this week, fill in the chart of promises you are willing to make this year and then write these up in a small paragraph. An example is shown below.

<b>Personal Goals</b> To believe in what I can do more	<b>Sporting targets</b> Walk 20 miles around Bath
<b>Helping others</b> Create spaces for everyone to reflect in school.	<b>Work goals</b> To teach Sycamore class the difference between your and you're
<b>Year 5/ 6 words</b> Physical, frequently, necessary, opportunity	
This year, I promise to try my best to believe that I can achieve. I will use my experience and skills to demonstrate my passion and desire to achieve. Whenever I face an obstacle, I will endeavor to overcome it using high levels of perseverance and build on my resilience. I vow to reach my goals by encouraging others and building them up. To complete the <u>physical</u> challenge of hiking 20 miles around Bath, I will train <u>frequently</u> and eat the <u>necessary</u> food to make the most of the <u>opportunity</u> .
