Class Updates & Notices

Dear Parents and Carers,

We hope that you have enjoyed a restful break. As we welcome the start of Term 4, We are excited to share with you the topics and learning experiences we have planned for the coming weeks. This term, our focus will be on "Celebrations Around the World," with a particular emphasis on the book "Around the World in 80 Festivals" by Nancy Dickmann. The children will learn about various cultural celebrations and the significance they hold in different communities. In Mathematics, we will delve into shape, space, and measure, allowing children to develop their understanding of geometric concepts and practical applications. Additionally, our Understanding of the World curriculum will encourage children to appreciate the diversity of cultures and communities, fostering respect and curiosity. In Art, we will concentrate on pattern and colour, enabling children to express their creativity while learning about artistic techniques. We are looking forward to a fantastic term filled with discovery and growth!

A few reminders:

- Please ensure all of your child's belongings are clearly labelled.
- PE lessons will be on **Wednesday**. Please send your child into school dressed in their PE kit on this day.
- Please remember to log your child's reading on BoomReader.
- Please try to bring in reading books in every day if possible. This allows us to be able to read with the children in school whenever we get an opportunity.

If you have any questions or concerns at any point, please don't hesitate to get in touch—either in person or via email.

Thank you for your continued support.

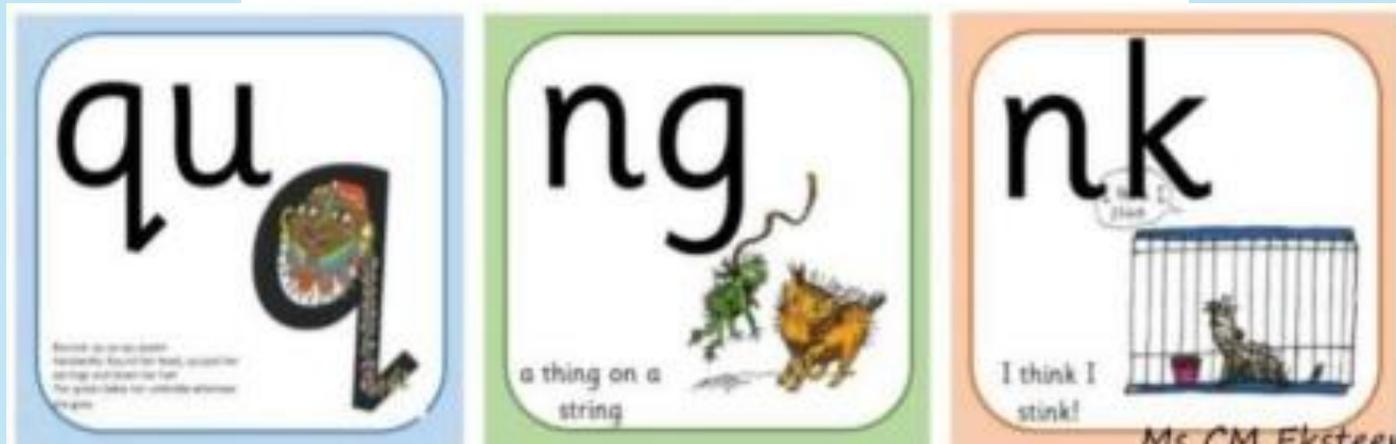

Best wishes,
Miss Vincent and Ms Jones
